COUNT I – VIOLATIONS OF THE AMERICANS WITH DISABILITIES ACT

7. On or about July 26, 1990, Congress enacted the Americans with Disabilities Act ("ADA"), 42 U.S.C. §12101, et. seq. Commercial enterprises were provided one and a half years from enactment of the statute to implement its requirements. The effective date of the Title III of the ADA was January 26, 1992. 42 U.S.C. §12181; 20 C.F.R. §36.508(a).

8. Congress found, among other things, that:

(i) some 43,000,000 Americans have one or more physical or mental disabilities, and this number shall increase as the population continues to grow older;

(ii) historically, society has tended to isolate and segregate individuals with disabilities, and, despite some improvements, such forms of discrimination against disabled individuals continue to be a pervasive social problem, requiring serious attention;

- (ii) discrimination against disabled individuals persists in such critical areas as employment, housing, public accommodations, transportation, communication, recreation, institutionalization, health services, voting and access to public services and public facilities;
- (iv) individuals with disabilities continually suffer forms of discrimination, including outright intentional exclusion, the discriminatory effects of architectural, transportation, and communication barriers, failure to make modifications to existing facilities and practices. Exclusionary qualification standards and criteria, segregation, and regulation to lesser services, programs, benefits, or other opportunities; and,
- (v) the continuing existence of unfair and unnecessary discrimination and prejudice denies people with disabilities the opportunity to compete on an equal basis and to pursue those opportunities for which our country is justifiably famous, and costs the United States billions of dollars in unnecessary expenses resulting from dependency and non-productivity.

42 U.S.C. §12101(a)(1)-(3), (5) and (9).

9. Congress explicitly stated that the purpose of the ADA was to:

- (i) provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities;
- (i) provide clear, strong, consistent, enforceable standards addressing discrimination against individuals with disabilities; and,
- (ii) invoke the sweep of congressional authority, including the power to enforce the fourteenth amendment and to regulate commerce, in order to address the major areas of discrimination faced on a daily by people with disabilities.

42 U.S.C. §12101(b)(1)(2) and (4).

10. Pursuant to 42 U.S.C. §12181(7) and 28 C.F.R. §36.104, the Subject Facility is a place of public accommodation in that it is within the meaning of Title III of the ADA because its operations affect commerce and among other things, it is “a laundromat, dry-cleaner, bank, barber shop,

beauty shop, travel service, shoe repair service, funeral parlor, gas station, office of an accountant or lawyer, pharmacy, insurance office, professional office of a health care provider, hospital, or other service establishment; "42 U.S.C. §12181(7)(B); see 28 C.F.R. §3 6.104 and sec. 36.207, as the places of public accommodation are located in private residences.

11. The Plaintiff is informed and believes, and therefore alleges, that the Subject Facility has begun operations, and/or undergone substantial remodeling, repairs and/or alterations, since January 26, 1990, and/or has sufficient income to make readily achievable accessibility modifications.
12. Defendant has discriminated, and continues to discriminate against the Plaintiff, and others who are similarly situated, by denying full and equal access to, and full and equal enjoyment of, goods, services, facilities, privileges, advantages and/or accommodations at Defendant's Property, in derogation of 42 U.S.C. §12101, et. seq., and as prohibited by 42 U.S.C. §12182, et. seq., and by failing to remove architectural barriers pursuant to 42 U.S.C. §12182(b)(2)(a)(iv), where such removal is readily achievable.
13. The Plaintiff has been unable to, and continues to be unable to, enjoy full and equal safe access to, and the benefits of, all the accommodations and services offered at Defendants Property. Prior to the filing of this lawsuit, Plaintiff personally visited Defendants' Property, with the intention of using Defendants facilities, but was denied access to each and every Retail store, to wit: to the Subject Property, and therefore suffered an injury in fact. Plaintiff specifically intends to visit the Facility in the

future, but continues to be injured in that he is unable to and continues to be discriminated against due to the architectural barriers which remain at the Subject Property, all in violation of the ADA and the New York State and New York City Human Rights Law. The barriers to access the *entire* Facility have effectively denied Plaintiff's ability to visit the property and have caused embarrassment, anxiety and frustration to the Plaintiff.

14. Pursuant to the mandates of 42 U.S.C. §12134(a), on July 26, 1991, the Department of Justice, Office of the Attorney General, promulgated Federal Regulations to implement the requirements of the ADA, known as the Americans with Disabilities Act Accessibility Guidelines (hereinafter "ADAAG"), 28 C.F.R. Part 36, under which said Department may obtain civil penalties of up to \$110,000 for the first violation and \$150,000 for any subsequent violation.

15. The Defendants' Subject Facility is in violation of 42 U.S.C. §12181, et. seq., the ADA and 28 C.F.R. §36.302, et. seq., and is discriminating against the Plaintiff as a result of inter alia, the following specific violations:

This property fails to comply with section; 206.2.1 Site Arrival Points. At least one accessible route shall be provided within the site from accessible parking spaces and accessible passenger loading zones; public streets and sidewalks; and public transportation stops to the accessible building or facility entrance they serve. Failure to provide accessible entrance to the entire Subject Facility due to the steps at said entrances and the failure to install ramps with appropriate slope and signage, and/or otherwise provide an accessible and properly designated entrance, as required by 28 C.F.R. Part 36. These steps are insurmountable barriers to the ingress and egress of Plaintiff and individuals who use

wheelchairs violating 207. Standards 4.3.2(1) requires at least one accessible route be provided from public streets or sidewalks to the accessible building entrance they serve. The steps violate 206.4 which require that entrances shall comply with 404 and be on an accessible route complying with 402. Failure to provide adequate directional and accurate informational signage throughout the Subject Facility as required by 28 C.F.R. Part 36, Section 4.1.3(16). Failure to provide signage in the Subject Facility addressing people with disabilities telling them that accessible services are provided as required by 28 C.F.R. Part 36, Section 4.30.4. 4.5.1*. General Ground and floor surfaces along accessible routes and in accessible rooms and spaces including floors, walks, ramps, stairs, and curb ramps, shall be stable, firm, slip-resistant, and shall comply with 4.5. 4.3.10* Egress: Accessible routes serving any accessible space or element shall also serve as a means of egress for emergencies or connect to an accessible area of rescue assistance. Photographs depicting *some* of the discriminatory barriers are annexed as Exhibit A, made a part hereof and incorporated by reference herein.

16. Upon information and belief, there are other current violations of the ADA at Defendants' Property, and only upon a full inspection can all said violations be identified.
17. To date the architectural barriers, the removal of which is readily achievable, and other violations of the ADA still exist and have not been remedied or altered in such a way as to effectuate compliance with the provisions of the ADA.
18. Pursuant to the ADA, 42 U.S.C. §12101 et seq., and 28 C.F.R. §36.304, the Defendants were required to make the Subject Facility, a place of public accommodation, accessible to persons with disabilities since January 28, 1992. To date, the Defendants have failed to comply with this mandate.
19. Pursuant to 42 U.S.C. §12188, this Court is vested with the authority to grant the Plaintiff's injunctive relief; including an order to alter the subject facility to make them independently accessible to, and useable by, individuals with disabilities to the

extent required by the ADA, and closing the subject facilities until the requisite modifications are completed. Defendants' failure to remove the barriers to access constitutes a pattern and practice of disability discrimination in violation of 42 U.S.C. sections 12188(b)(1)(B)(i), (b)(2)(A)(iv), and 28 C.F.R. § 503(a).
